CS Division Managers: cvucsmanagers@gmail.com | Club Email: cvuscsoccer@gmail.com
1701 Lerwick Road, Courtenay | 250.334.0422 | cvusc.org

Thank you!

Thank you for your interest in the CS program. Our soccer club provides many opportunities and different levels of soccer to our players and teams.

Coaches

We have an outstanding group of volunteer-coaches. Many of our coaches have played high level soccer, have a high levels of coaching certification and the ability to demonstrate soccer skills.

Other Programs

UDP: We have a spring and fall UDP program for player U7/8+ to help our players develop.

Summer Camps: We also offer week long camps with professional coaches.

Registration Process

- Email CS Division Managers
- Attend parent info meetng
- Attend scheduled evaluations for your level
- Complete online registration

Soccer Development Program

Competitive
Stream
U9-U11

To promote the enjoyment of, and participation in, the sport of soccer

OUR PURPOSE. YOUR GAME.

What is the difference between Competitive Soccer and Recreational 'House' soccer?

The major difference is the level of competition and commitment required by families and participating players.

Do I still need to play House if my child is playing in the Competitive Stream?

Yes, participation in at least 1 season of House is mandatory, as per Club Rules. Also, it is beneficial for athletes to practice their skills, as regular CS practices are discontinued during House season.

How many practices a week?

CS Training is 1-2 times a week for 1.5 hours when House is not in session. During House, most teams practice 1/week for 1.5 hours with their House team and participate in Saturday House game. UDP is also an option if your athlete wants more field time. CS Teams do not practice during House season, unless required to train for a tournament.

How many tournaments and jamborees per year?

We have scheduled 6 Jamborees per year, with each CS team hosting 1 Jamboree. There are 2-3 away tournaments per year.

Does my child have to attend every tournament/jamboree?

Attendance is encouraged but not mandatory. Jamborees/tournaments are a fun way to show off new developed skills and gain more knowledge of the game.

How can I help my child?

You can help by sharing positive comments that motivate and encourage continued effort and hard work. Offer praise for competing fairly. Ensure that your child arrives on time and ready for practices and games.

How will teams be created for games and tournaments?

Coaches will place players in a place that best suit their level of development at the point of the game or tournament. Sometimes, this will consist of creating teams based on ability.

How can I volunteer?

In support of the Coaches, every team needs: Team Manager; Fundraising Coordinator; Bank Account Signors.

What is Fundraising for?

Teams can coordinate 2-4 fundraising events a year to offset costs for kits, ferry for players, tournament registration fees and team equipment (bench, tents, pinnies, etc)
