

## SHOOTING BONANZA

Half the players line up beside one goal post, and the others line up beside the other post with a ball. On the coach's prompt, players dribble around cones and through the gate then try to score on one of the coaches.

### Variation

Players start without the ball and race through the course. The coach serves the ball to both players as they run through the gate. The two try to win the ball and score.

### Coaching Tips

- Keep ball close while dribbling
- Good control is more important than speed
- Speed and mobility
- Instep Shooting
- Aim for the corners
- Have fun
